Happy New Year to a great group of women! I hope to see all of you at the January meeting; it will be a workshop to prepare for the forum on Sunday, February 20. Wear your comfy working clothes and be prepared to stuff and address envelopes. If you have a current high school directory, please bring it – we need as many as we can get!

Nut Sales Results: According to Donna Marshall, we made \$670.00 from our annual nut sale. Congratulations to everyone who participated! That's a record amount, and it guarantees at least two, maybe three, scholarships to deserving Greek collegians.

Also For Sale: Don't forget about our throws and t-shirts! We will have them available for you to purchase at both the January and February meetings.

Thanks to Cari Perlingiero (aka the Grinch) for making our November meeting a fun night!! If you couldn't make it, you missed a very special evening!

Upcoming Dates:

February 15 - Forum Workshop at the home of Cari Perlingiero

February 20 – Forum at Crown of Life Lutheran Church in Colleyville

March 15 – Meeting at the home of Carolyn Spann
